# Fencing practice arm - epee – FD 2025 SM

- ✓ designed for individual training of touches on the arm and blade work training
- ✓ optionally mountable on wall bars or attachable to a wall
- ✓ in the default position, the arm height can be adjusted within a ±250 mm range
- ✓ the arm is smoothly adjustable in one axis at the shoulder and one axis at the elbow
- ✓ the wrist and elbow are equipped with a flexible element that facilitates blade work
- ✓ can be used with or without an attached epee
- ✓ all adjustments and position fine-tuning can be done easily with a single wrench (included in the package)
- ✓ the arm is fitted with a standard coach's sleeve made by Allstar or Uhlmann (after testing, bandages from other manufacturers may also be used)
- ✓ materials: steel, aluminium alloy, rubber, plastic, textile, blade
- ✓ surface finish of steel parts: powder-coated with komaxit paint, standard shade: matte black.
- ✓ basic dimensions: 300 x 750 x 750 mm
- ✓ weight approximately 8 kg / 17,6 lb
- ✓ custom adjustments are possible
- ✓ delivery approximately 10 weeks
- ✓ **price: 26.900 Kč / 1.100 EUR** *(price excluding shipping)*
